.5 Homeless Assistance

.51 General

A homeless AU seeking permanent housing is eligible to receive homeless assistance. Homeless assistance is available to meet the reasonable costs of securing permanent housing, preventing eviction and meeting the costs of temporary shelter while the AU is seeking permanent housing. Any AU applying for homeless assistance shall be informed that these benefits are limited to once every 12 months, with exceptions (see Sections 44-211.514 and .54). Further, the AU shall be informed that the temporary shelter payment of up to 16 consecutive days is only available during this consecutive 16-day period and that once this period ends, these benefits are exhausted, even if the AU has not received all 16 days of temporary shelter payments.

.511 (Continued)

.513 An AU is eligible for a nonrecurring special need payment for homeless assistance once every 12 months unless the exception criteria in Section 44-211.54 or .514 is met. For each 12-month period, homeless assistance shall only be granted for a continuous period of homelessness caused by the same specific circumstance and is limited to a maximum of one period of up to 16 consecutive calendar days of temporary assistance and one payment of permanent housing assistance, with exceptions. A homeless assistance payment may be granted for either, or both, temporary shelter or permanent housing. An AU may be granted a 16-consecutive-day period of temporary shelter assistance, if eligibility requirements are met (~~see Section 44-211.52~~), after a permanent housing payment has been received (see Section 44-211.522). A permanent housing payment may be granted whether or not a payment for temporary shelter has been issued. ~~The initial issuance of temporary shelter and/or permanent housing payments represents the beginning of the 12-month period for a homeless assistance benefit regardless of the reason for the homelessness.~~

(a) (Continued)

(b) The ~~12-month~~ period of homelessness begins:

- (1) For temporary and permanent homeless assistance, on the day the CWD issues the first payment of temporary shelter or permanent housing to the recipient or landlord ~~and ends 12 months later~~. This also marks the beginning of the 12-month limit on eligibility described in Section 44-211.513.
  - (2) For emergency transfer of deposits in Section 44-211.538, on the date when the first homeless assistance payment is issued for either ~~temporary shelter or permanent housing~~ the once every 12-month benefit or for homeless assistance under an exception.
  - (3) For those exceptions limited to once in 12 months, the period of homelessness begins on the date when the first temporary or permanent homeless assistance payment ~~within the past 12 months~~ is issued under one of these exceptions.
- (c) The period of homelessness ends when the AU receives the payment for permanent housing, except as specified in Section 44-211.522.
- .514 An otherwise eligible AU that has received a homeless assistance payment ~~at any time~~ on behalf of an eligible child in the last 12 months shall not be eligible for further homeless assistance payments ~~until the start of a new 12-month period~~, except as specified in Section 44-211.54 or under the following conditions:
- (a) (Continued)
  - (b) The new caretaker has not received homeless assistance during the previous 12 months on behalf of or as part of another AU, and

- (d) For additional exceptions, see Section 44-211.54.
- (1) **EXAMPLE:**

An AU requests temporary shelter on April 1, 2017, but remains homeless following the issuance of temporary homeless assistance. On June 6, 2017, the AU secures housing and receives permanent homeless assistance. In this scenario, April 1, 2017, represents the beginning of the 12-month limit on period for homeless assistance ~~while March 31, 2018, represents the end of the 12-month period~~. If otherwise eligible, the AU may receive temporary and/or permanent assistance beginning again on April 1, 2018.

(2) EXAMPLE:

An AU receives two months of permanent housing assistance in the form of rent arrearages to prevent eviction on March 15, 2017. On July 1, 2017, the AU is facing eviction a second time. Unless the AU meets an exception, the AU is not eligible for temporary or permanent homeless assistance until March 15, 2018.

(3) EXAMPLE:

An AU receives temporary homeless assistance on August 1, 2017, but fails to secure permanent housing ~~during the 12-month period of homelessness~~. The AU is eligible to receive permanent homeless assistance during the same 12-month period as long as they have been continuously homeless since they first received temporary homeless assistance benefits. The AU will not be eligible for temporary homeless assistance again ~~on~~ until August 1, 2018, which represents a new 12-month period.

.52 Temporary Shelter

The temporary shelter payment is available once every 12 months, with exceptions (see Section 44-211.541), to a homeless AU for temporary shelter, when the AU is also seeking permanent housing.

.521 (Continued)

.53 Permanent Housing

The permanent housing payment is available once every 12 months, with exceptions (see Section 44-211.541), to assist homeless recipient AUs in obtaining or retaining permanent housing.

.534 Definitions

- (a) "Income" means income to be counted towards the TMHI which includes gross earned and unearned income, including the CalWORKs computed grant, or Supplemental Security Income (SSI) and State Supplementary Payment (SSP). An AU's CalWORKs Special Need payments and CalFresh benefits do not count as income and are not included in the TMHI.

(b) (Continued)

.537 The county has one working day from the time the recipient provides the following information to issue or deny a payment for permanent housing assistance:

(a) (Continued)

(c) When applicable, verification of the exception to the once every 12-month homeless assistance benefit (see Section 44-211.541).

.538 If due to an emergency, an AU must move within the 12-month time limit specified in MPP section 44-211.513, the AU shall be allowed to transfer deposits to meet the security deposits for the new residence.

(a) (Continued)

(b) If the CWD determines that the transfer was within the 12-month time limit, and not an emergency, refunded deposits shall be treated as liquid resources.

.54 Homeless Exceptions

.541 Temporary and permanent housing assistance payments are each limited to once every 12 months with the following exceptions:

(a) (Continued)

.545 A county may require an applicant/recipient who verifies domestic violence by a sworn statement to participate in a homelessness avoidance case plan.

(a) (Continued)

(b) If an applicant/recipient seeking an exception for homeless assistance based on domestic violence has previously received homeless avoidance service based on domestic violence, the county shall review whether services were offered to the applicant/recipient and consider what additional services would assist the recipient in leaving the domestic violence situation.

- .546 Payments for temporary shelter and permanent housing under an exception shall only be authorized for a continuous period of homelessness caused by the same specific circumstances.

### **HANDBOOK BEGINS HERE**

(a) **EXAMPLE:**

An AU is issued temporary shelter payments on April 1, 2017, and locates permanent housing later in the month. On October 1, 2017, the same AU becomes homeless again and begins receiving homeless assistance based on an exception listed in Section 44-211.541(b). The AU's 12-month ~~period~~ limit on eligibility continues to be April 1, 2017, through March 31, 2018. The AU would not be eligible for homeless assistance again until April 1, 2018, unless the homelessness is caused by a state or federal natural disaster or under the circumstances described in Section 44-211.514.

(b) **EXAMPLE:**

An AU receives temporary shelter payments in January 2017 because of domestic violence. After receiving the temporary shelter payments, the AU returned to the former residence. In March 2017, the AU requests the permanent housing payment with the CA 42 showing uninhabitability as the reason for homelessness. Even though the AU had been homeless in January because of domestic violence, that instance of homelessness did not count as an exception under Section 44-211.54(b), because the AU had not received homeless assistance within the 12 months prior to January 2017. Eligibility for the January payment was not based on an exception, so the March payment may be, and the AU may receive homeless assistance in March.

(c) **EXAMPLE:**

In January, 2017 an AU is issued homeless assistance payments under Section 44-211.51. In March 2017 the AU receives temporary shelter payments because of uninhabitability. The residence was condemned. The AU then becomes homeless in April 2017 because of a fire, which is declared a natural disaster by the state. The AU receives both the temporary shelter and permanent housing payments because of the disaster. In June 2017 the AU returns requesting the permanent housing payment for the exception which began in January 2017. The AU is again homeless because of uninhabitability. However, since the AU was not continuously homeless after the temporary shelter payment was issued in January 2017, and the current homelessness is not the result of the same specific circumstances, the county determines the AU is not eligible for the permanent housing payment. The AU may potentially be eligible again in January 2018 under the standard once every 12-month ~~once in 12-month~~ rule in Section 44-211.51.
